PLEASE WRITE AN ESSAY IN WHICH YOU RESPOND TO THE FOLLOWING PROMPT:

The writer, James Baldwin, once said, "The paradox of education is precisely this - that as one begins to become conscious, one begins to examine the society in which he is being educated." As part of your education in the WSCC Honors Program, we will encourage you to examine the local, regional, national, and global society in which you're earning your education. Considering current events in your community or around the world, which aspects of society are you most interested in examining and why? Your response must fit in the space provided below.
