

Parent/Guardian Verification of Student Dependent Status

The Family Educational Rights and Privacy Act (FERPA) is a Federal Law that protects the privacy of student education records, both financial and academic. For the student's protection, FERPA limits release of student record information without the student's explicit written consent; however it also gives the student's parent(s)/guardian(s) the right to review those records if the parent(s)/guardian(s) claim the student as a dependent on their Federal Income Tax Return.

Instructions: Please read this form carefully, complete and attach required documentation and return to the Records Office in the Main Building, mail to 710 Colegate Drive, Marietta, Ohio 45750, or fax to 740-568-1965.

This form must be completed and returned with a **signed copy** of your most recent Federal Income Tax Return to certify that the student is your dependent according to Section 152 or the Internal Revenue Code. This verification is only valid for the current academic year through the Spring Semester. **Since IRS dependency can change annually, you must submit copies of your Federal Income Tax Return each year along with this form to continue to access the student's records.**

This release is to gain access to my dependent's financial and/or all academic and advising records in all offices on Washington State Community College's campus.

**I certify that I am the parent(s)/guardian(s) of (please print) _____ with
WSCC Student ID _____ and that the student is dependent according to Section 152 of the Internal
Revenue Code.**
