

2021-2022 Drug Conviction Eligibility Worksheet

Student Name: _____ WSCC ID: _____ DOB: ____/____/_____

On the 2021-2022 Free Application for Federal Student Aid (FAFSA) you either left question 31 blank or stated you have a drug-related conviction. This makes you ineligible for federal and state financial aid.

However, you may become eligible for financial aid if any one of the following is true. Select one of the following statements, if any, which is applicable to your situation:

You have successfully completed an acceptable drug rehabilitation program that included two unannounced drug tests and is qualified to receive funds from a federal, state, or local government or from a federally or state-licensed insurance company; or is administered or recognized by a federal, state, or local government agency/court or a federally or state-licensed hospital/health clinic/medical doctor.

One year has elapsed from your first conviction date for possession of illegal drugs.

Two years have elapsed from your second conviction date for possession of illegal drugs.

Two years have elapsed from your first conviction date for the sale of illegal drugs.

The conviction was reversed, set aside, or otherwise rendered nugatory.

You left question 31 blank by mistake and have no drug-related convictions.

None of the above criteria are true in my situation. I understand that I am ineligible for financial aid and will contact the Office of Financial Aid if my status changes.

When completing this form, you must only include federal or state convictions that occurred while you were a student and were receiving federal financial aid. Do not include convictions for which you were treated as a juvenile. Do not include convictions which have been removed from your record.

If you are convicted of possessing or selling drugs after you submit your FAFSA you must notify our office immediately. You will lose your financial aid eligibility and be required to pay back all aid received after conviction.
