A Verification of Non-filing Letter from the IRS is required if the parent or an Independent student (or Spouse) did not file and was not required to file a 2019 Income Tax Return with the IRS. An IRS Verification of Non-Filing Letter provides proof that the IRS has no record of a filed IRS Form 1040 for the year you request. Non-Tax filers can request an IRS Verification of Non-filing Letter for their 2019 tax return status, free of charge, directly from the IRS.
