

TIPS TO SEARCHING THE COURSE SCHEDULE

Welcome to the WSCC Course Schedule tool! To help you navigate the tool and find courses, follow these simple steps.

Step 1: Search for courses

- *By subject*, using the “**Search for Subject**” box
- *By course*, using the “**Search for Courses**” box and type:
 - Subject (“English”) or a
 - Course Title (ENGL 1510) or a
 - Keyword (“Composition”)
- *By choosing **Advanced Search***, you can search for courses by:
 - Term or date
 - Course and section number
 - Days of week
 - Time of day

Step 2: Once you find a course from the list, click **View Available Sections**

- Course sections will be grouped by term (Fall, Spring, Summer) and will provide details about type of class and meeting times.

Step 3: Click **Course Title** to view additional details including:

- Course Description, Number of Credits, Lab or Additional Fees, and other information

Note: Enrolled students will also use this tool through their MyWSCC student page to select courses, create a schedule, and register for classes.
